

Trips and Excursions Booklet

2019 – 2020

This booklet summarises the major Senior School residential, adventurous or overseas trips and excursions that have been planned for the academic year. Hopefully, this will help parents and pupils to prioritise and to plan ahead if they are interested in any of these. In addition, we also run a range of smaller day trips and visits throughout each term. Details of these are published through the online termly calendar card. We also produce a separate Outdoor Education booklet that helps to showcase the extensive range of other adventurous opportunities on offer.

More information is available from the members of staff in charge of each trip, who can be contacted via school email. Staff will advertise the details for each trip at the appropriate time of year to gauge the levels of interest and to see if their trips will be viable. Usually, pupils will be asked to collect letters and details from the School Office.

In addition to the trips and excursions listed below, the Outdoor Education Department also runs a range of regular day trips every month throughout the school year. The cost for each of these is usually around £15 and therefore they are any easy and cheap way for pupils to try something new or to be involved in an outdoor activity they enjoy. The dates and details for all of the trips in the programme are published in the separate Outdoor Education Booklet.
