

Head's Message

There has been a strong focus on safety across the school this week. We have met a range of fascinating people, from a number of outside organisations, who have helped our pupils understand how they can look after themselves and those around them in a variety of situations. We have refreshed our road safety knowledge, become aware of some of the hazards associated with waterways, discussed how to share concerns and looked at many aspects of staying safe. It is always a pleasure to see how well our pupils engage in these types of assemblies and workshops. They really are a credit to the school in the way they interact and respond to any question that is posed. Hands often shoot up with valid ideas, answers and contributions. I don't remember this being the case when I was at school. We were rarely given the option to contribute and were often too terrified to do so in case we got something wrong. Thankfully our school is a place where we not only teach a message of safety, it is also a place where it is safe to make mistakes in any aspect of learning or development. By having a culture that removes a fear of failure we can really enable and empower our pupils to flourish.

Next Saturday, 28th September is our Open Morning between 9am and 12 noon. I am delighted that a number of boys and girls have volunteered to come and join us for the morning to take part in a range of activities. If you know of any families that may be interested in coming to view the school please do encourage them to come along to meet the pupils and staff. Your positive recommendations make a real difference. Thank you in advance for your support.

Bill Sawyer

Head's Challenge I am a god, a planet and I can measure heat. What am I?

Photo of the Week: A great couple of days exploring was had by Year 6 this week, as they visited Boggle Hole as part of their science and humanities studies. When the tide is out, all manner of creatures and discoveries are made!

Year 5's Tales from Robinwood

Robinwood was amazing! Though the breath taking giant swing and the long, scary zipline were good, my favourite activity was the Knight Quest because it could not be completed without cooperation, problem solving, communication and support.

Banming Y.

I really enjoyed Robinwood. The giant swing was very scary! The piranha pool was very very cold and the zipwire was colossal.

Connie G.

The piranha pool was terrifying! Would you dare to enter it? Terrified and frightened, excited and

overjoyed, I went on the emergency pole and fell off, getting drenched!

Tabitha L.

Robinwood was incredible! The most thrilling and exciting activity was the giant swing because even though I was scared, everyone encouraged me so I went to the top. The piranha pool was petrifying but we problem solved and worked as a team to make our way back.

Sarah A.

My favourite part was caving because I liked creeping up

on Miss Ni Chaoilte and Arthur (our instructor) like a clown!

Eliash W.

The whole Robinwood trip was amazing. My highlight was the giant swing because I was paired with Sanju. She had to 'pull on Pooh', we screamed a lot!

Janvi C.

I almost felt like I had just arrived in the Antarctic when I jumped into the lake, but we all got through this challenge as a team. Encouragement and support was key because some people were petrified. We encouraged each other to try so that you knew you had pushed yourself to the limit.

Amelie S.

Robinwood was the best residential I have been on at Yarm. The activity that scared me the most was the giant swing. I did not want to do it at first, but my team were encouraging and cheered me on. It was fun in the end but I don't know how it became my favourite!

Charlie C.

Robinwood was amazing! The piranha pool was fantastic, while the climbing wall was really petrifying when I was near the top. It was just so frightening, as you think you are going to fall down if you start to look down. I was traumatised!

Luke E.

Year 6 visit Boggle Hole

Boggle Hole is so much fun, you learn so much and the weather was beautiful.

Ameera R.

I learnt about the features of coastal erosion and all about wave cut platforms. My favourite part was rock pooling, I found a crab.

Oliver B.

When we went to Boggle Hole, I learnt that coastal erosion was more complex than I thought. We even got an ice cream at the end.

Sam S.

Boggle Hole was really fun and super interesting!

Anousha A.

Year 6 visit Boggle Hole

I enjoyed learning about the boulder clay and how it was formed. The walk was very informative and enjoyable. We learnt that the older rock is at the bottom of the cliff.

Mohamed E.

At Boggle Hole, the rockpool dipping was fun. My group found a lot of winkles, hermit crabs that ate another crab, a five-legged velvet crab, an edible crab and some sugar kelp. Mr Underwood even caught a lobster!

Isaac A.

Learning about the coastal area was a great experience as we got to see the coast with the different layers of rock. The sea and the rockpools made a beautiful view too. You could also see boulders where rock falls had happened. The history of the rock formation was really interesting too! I was glad I went.

Lily C.

My favourite part of the Boggle Hole trip was the rock pooling. We went in little streams and my group caught an amazing crab with only five legs! The crab was so green it looked like it might be sick. My group also discovered an edible crab under some seaweed. We also managed to persuade it out but it back after we had shown everyone. We found several huge hermit crabs under rocks and seaweed too.

Niamh B.

I loved the rock pooling. I caught a small crab that was quite calm until I found a hermit crab and the first one started to attack it! I placed them down when I found a much bigger one though.

Soon after, when we were leaving, I gave my crab to a little boy.

Tanveer T.

Safety Week

A raft of safety messages have formed the backbone of our Safety Week, thanks to a number of visitors who have taken over assemblies and delivered workshops.

Monday saw the visit of Claire Cavendish from the Canal and River Trust, who spoke to the children about water safety and how to react if you see someone in danger in the water (ask your child what to do!) On Tuesday we welcomed Cheryl Ellis from the NSPCC who, with the help of Buddy, spoke to the children about what to do when we are worried about something and who we can talk to.

PCSO Barrett spent the day with us on Wednesday, focusing on both road safety and anti-social behaviour. In particular he worked with all of the children in workshops on the importance of rules and laws and respecting them. As well as the Dogs Trust coming on Thursday, we also welcomed back the NSPCC on Friday to deliver some important personal safety workshops to Years 5 and 6. Parents also benefitted from the NSPCC O2 internet safety talk.

I learnt that people leave random stuff in rivers and canals and that this can be dangerous if you jump in the water.

Adam P.

I learnt that rivers and canals can be more dangerous than I thought. It was strange to find out that people can be distracted by mobile phones and fall in the river because they are not concentrating.

Laurie E.

The NSPCC stands for the National Society for the Prevention of Cruelty to Children. I learnt not to bully and if you need help with something you must tell someone.

Oliver D.

I understand that the NSPCC are helping kids like Ali (who was in the video), as well as children with different problems and difficulties.

Myles B.

I learnt that all children have rights to speak about anything to Childline if it is upsetting them. I also found out that you should be looking where you are going when you are near water. You should not throw life rings at people's heads as it could knock them out.

Ellie W.

I found out that most people fall into rivers because they are too busy on their phones and not looking where they are going. The workshop with PCSO Barrett on Wednesday was excellent!

Freddie G.

I really enjoyed the NSPCC assembly because it made all of us feel safer, knowing we could phone the NSPCC Childline if we need to.

Ivy A.

The assemblies were great fun, I learnt so much about keeping safe.

Sienna S.

I think that the safety assembly was really informative so you know that if you're ever worried you can contact someone and they will help you.

Gracie R-H.

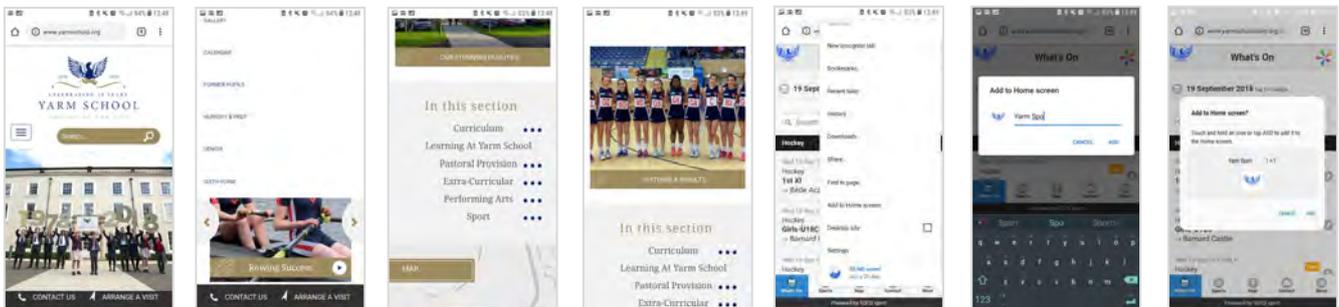

PE and Games News

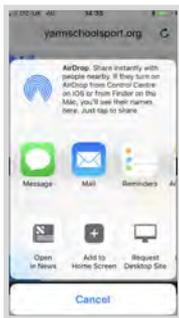

How to set up Fixtures Pro on your Smartphone

It's how to find details of sports fixtures and team line-ups for the Prep School. It is also very easy to set up on your Apple or Android device. Please follow these instructions.

FOR ANDROID DEVICES:

- | | | | | | | |
|--|--|---|--|--|---------------------------------|--|
| <p>1. Access the Yarm School website via the browser on your device.</p> | <p>2. Click on 'Senior School' at the top of the page.</p> | <p>3. Click on 'Sport' which appears down the left-hand side.</p> | <p>4. Click on 'Fixtures and Results'.</p> | <p>5. In the top-right corner of the browser, click on the three dots, then click on 'Add to Home screen'.</p> | <p>6. Give the link a name.</p> | <p>7. Add to your phone home screen.</p> |
|--|--|---|--|--|---------------------------------|--|

FOR APPLE DEVICES:

Follow steps 1-4 above, then:

- At the bottom of your phones screen drag your finger up and you have a square and arrow icon (photo left) and if you click this you can then see the icon that says 'Add to home screen'. Click this.
- Congratulations! You are all set and on your phone screen you should see the Yarm School logo which is now your very own shortcut to team sheets etc.

A GREAT VALUE PROGRAMME INCLUDING PERSONALISED KIT DELIVERED TO EVERY CHILD

First 6 week programme: £32 includes 1 shirt, 2 x hockey sticks, ball and ruckers

- Launching at participating clubs around the country from September 2019
- Please note this programme is aimed at beginners and not members of existing hockey clubs

Tell your friends about Hockey Heroes!

- Hockey Heroes has been designed firstly to get more children playing hockey, but ultimately to encourage them to join hockey clubs
- Please help us to grow the sport we all love by telling your non-hockey friends with children aged 5-8 about Hockey Heroes!
- Send them to hockeyheroes.co.uk for all the details!

FIND OUT MORE: hockeyheroes.co.uk

The closest *Hockey Heroes* sessions running are taking place at Norton Hockey Club, running for children aged 5-8 years old.

Norton also run sessions for children aged 8 and over on Tuesdays (7-8pm) and Sundays (10.30-12noon). It is a lovely, welcoming club and a number of children already take part in sessions there.

Mrs Redhead-Sweeney

Aldi's Kit for Schools

From 6th September, Aldi's Kit for Schools promotion is giving 20 primary schools the chance to win £20,000 to kick-start a health legacy for their school. What's more, every school who enters by completing their Aldi's Kit for Schools poster will also receive an exclusive school sports kit! Collect a sticker with every £30 spent in store and fill up your school's poster for a chance to win.

Every time you spend over £30 in any Aldi store you'll receive a Team GB sticker. Take your stickers to school to help complete your poster. Once complete with 300 stickers send the poster back to us to receive an exclusive sports kit and to be in with a chance to win £20,000 for your school.

If you receive any stickers, please pop them in to Miss Richardson or Miss Algate.

Mrs Redhead-Sweeney

Clubs and Activities

GYMNASTICS: Please note that there will be NO gymnastics on Friday 20th September and Friday 18th October. End of term extras bills will reflect these cancellations.

Parent Zone Digital Schools

Our Digital Schools membership gives you FREE access to Parent Zone's Parent Lounge with:

- Online training
- Expert advice and information on all things digital
- Access to a free help service for all your tech questions.

For more information on how to join the Parent Zone Parent Lounge, go to the Online Safety Guidance for Parents section of our Parent Portal.

On Friday 20th September, we will also be hosting the NSPCC as part of our Safety Week. They will be running an internet safety workshop for interested parents (depending

on numbers) in the Prep Hall at 2pm.

If you would still like to attend this event, or are interested in future internet safety events, please contact Mr Stone.

Mr Stone

Food and cakes in school

As of now children and parents should not bring food for sharing into school. This includes the bringing in of birthday cakes, pizza, festival foods etc.

Pupil snacks, that are brought in at break times, are considered fine but, as per the Parent Handbook, these are to be plain biscuits or fruit only. Food for school trips, etc will continue to be safely sourced via Mrs Wallace in the school kitchen as usual.

It is a shame, however we hope you can appreciate that it will keep all of our pupils safe and ensure there are fewer risks.

This does not mean that we cannot celebrate pupil's birthdays though! Children in classes will sing 'Happy Birthday' to their peers on the day and the birthday boy/girl can choose from the following:

- a favourite book to bring in and share with the class and add to the class library;
- a hat to wear for the day (it will need to be taken off for formal events, fixtures etc.);
- a pair of crazy socks to wear on the day.

Year groups may well come up with other ways to celebrate birthdays and you will be notified of these in good time!

Thank you for your cooperation in the matter.

Mr Sawyer

After School Care

After School Supervision begins at 3.45pm with an outdoor play time for all registered children. Following this, children are usually supervised in two groups to complete homework and/or other quiet tasks - Years 3/4 and Years 5/6 – normally in 4P and the Science lab. Attendance is confirmed with pupils during morning registration.

We offer late supervision for pupils between 4.30pm and 6.00pm for those children who are not able to be collected by 4.30pm. After School Care is located in the Science Lab until 5pm and the Pre-Prep thereafter. It is supervised by Miss Emma Jeffries and Prep School staff. A register is taken and a modest charge is made for this facility. A drink and

snack are provided for pupils who attend. Any children not collected by 5pm are placed in After School Care at the Pre-Prep and are charged thereafter.

The care costs are as follows: 4.30-5.00pm - £2; 5.00-5.30pm - £3 (in addition to previous charge); 5.30-6.00pm - £3 (in addition to previous charge). Children involved in clubs until 5pm, children involved in fixtures and children whose siblings are involved in Prep School clubs and activities are not charged until these activities have finished. If a club or fixture is cancelled and parents have been contacted in good time (i.e. prior to lunchtime), parents of children who then go into After School Care will not be charged.

After School Care costs are added to the end of term charges bill for each family.

Please note the phone number for after school care: 01642 792584. It would help us enormously, if you are running late after 5pm, that you could contact this number to let us know your estimated time of arrival.

Mr Stone

Games kit reminder

WHAT TO WEAR FOR GIRLS' GAMES:

Please note: a gumshield and shin pads are also needed for

hockey during the autumn term.

WHAT TO WEAR FOR BOYS' GAMES:

Please note: a gumshield and shin pads are not required rugby this term. Please check the Parent Handbook for further information.

Tempest Photographs

All order slips for individual and sibling photographs must be return to the school office by **Friday 27th September** at the latest . This will hopefully accelerate their return from Tempest prior to half-term.

Mr Stone

Medical Reminder

Please could we remind you that as a school we follow the Department of Health Guidance on Infection Control in Schools. This guidance states that the recommended period of time to be kept away from school for diarrhoea and/or vomiting is 48 hours from last episode of diarrhoea or vomiting.

Your support in this area will help to reduce the spread of infection in school.

Nurse Lanfranconi

A poem about respect

Real smiles are contagious why can't we RESPECT,
We need it in the world to give ourselves a rest.
How can people be so careless,
Of this we truly need.

RESPECT is important in our world
Or we could fall down,
But the people who RESPECT us and truly care,
Will always pull you up again they always seem to be there.

Everyone says RESPECT some surely don't
understand,
That people in this world won't give you a hand.
I now see why but I know it makes you
Stronger but you should still RESPECT
Others it makes you stay longer.
Some parts of our world just don't care
But we can truly make a difference and that's not bare.

So can you see the reasons why,
People need RESPECT it makes the world a better
place
And we must do our best.

Please know how it hurts when you
Don't have that RESPECT, but if you are
That kind of person who sticks by someone side,
Thank you for RESPECT, you are not afraid to hide.
Have RESPECT in yourself to RESPECT who you are.

Even when you are down you are you.
You shouldn't have to change and I have learned
along the way
That when you are yourself it makes you stronger.

Can't they see you are the way you are
You know they won't be there for you in the end.
You'll have many more friends to come along in life
And that will never end.

Tell people from the bottom of
Your heart, if you RESPECT others it
Will find its way back to you.
But if you see someone who doesn't have
RESPECT, walk in their shoes and help them.
Like I said if you RESPECT don't change,
For anyone stick to who you are and...
RESPECT.
Lydia W.

Harvest Collection – 4th October

Harvest Collection for Stockton and Billingham Food Bank

Friday 4th October 2019

We are looking forward
to welcoming Stockton
and Billingham foodbank
to our Harvest Assembly
this year. They will be

talking to the children about how their charity helps families
in the local community. Based in Billingham town centre, the
charity runs a variety of outreach projects to support the
increasing need of emergency food supplies across the whole
of Stockton.

We have offered to run a collection to support this
worthwhile cause, and would like to invite the families of
Yarm Prep School to take part. If you would like to donate an
item to Stockton and Billingham foodbank, we are looking to
collect non-perishable items such as, fruit juice/squash,
tinned tomatoes, tinned fruit, custard, rice pudding, pasta
sauces, tinned fish, cereals, sugar, coffee, jam, soup, tinned
vegetables and meat. The collection will also be open to
donations of toiletries, toilet roll, washing up liquid, washing
powder, and nappies.

The collection point will be located at the Prep School Hall,
and will be open for donations before school on Friday 4th
October.

Thank you, in advance, for your support and generosity.

Miss Darbar

Prep Bacallaureate

Thank you to those children and parents who have shared
their interest in the Yarm Prep Bacallaureate. Booklets will
be going home with children early next week. Further
information is included below.

The Yarm Prep Bacallaureate (YPB) provides children with an
opportunity to develop values, skills and attributes that are
key to their own personal development and a 21st century
society. It is based around the School Values and also leans
on Education for Social Responsibility (ESR). ESR is aimed at
developing independence, a sense of community and a
willingness to help others. At its heart, however is a desire to
instil an appreciation of the environment and the importance
of caring for it, not just for now, but for future generations to
come.

With support from parents the children are encouraged to
attempt the tasks and develop their skills, both at home and
school. These are to be signed off by a teacher, but it is up to
the child to ask the teacher to tick tasks off when they have
been completed.

There are also a series of open-ended project tasks that each child can complete at home, or at school as part of the YPB club. Evidence of these is required—no more than one side of A4—so they can be included in the School Values portfolios (which can be seen outside Mr Stone’s office).

The YPB is meant to be fun! Sharing experiences with parents, the children will gain satisfaction by completing activities.

Mr Stone

Digital Leaders in a virtual world

Our Digital Leaders take their roles as test mules seriously, as can be seen here. Our Friday group were the first to make use of our new virtual reality equipment, which will soon be used by classes across the Prep and Pre-Prep.

PE and Games News

Above: Year 6 after school club hockey club take a breather from a quality session.

Under 10 Rugby

The Under 10 boys entertained Dame Allan's for their first fixture of the season on what was a very pleasant Friday afternoon. The conditions allowed the boys to get to grips with the new laws based around the breakdown. All teams demonstrated excellent team spirit and collaboration and we look forward to welcoming Dame Allan's again in December. Well done.

Mr Underwood

Last Friday, the U10 boys welcomed Dame Allan's School to a warm, but windy Green Lane. All of the boys took part in training games designed to help them to understand the new RFU rules for their age group. Everyone who participated showed a great attitude and willing to learn, there were many great tackles made, as well as some wonderful tries scored.

Mr Simpson

Under 10 Hockey

The Under 10 red, blue and yellow teams played Dame

Allan's last week. We really enjoyed our first fantastic fixtures of the year. We had lots of fun and scored many goals. Thank you to Mrs Redhead-Sweeney and Miss Edmondson for being such a great help. We had a great time.

Bella Y., Natasha P., Lucy M.

The under 10 hockey team on the senior astro had a great afternoon playing Dame Allan's. We thought we played really well as a team and won the game 4-1, with Connie G scoring three goals. We enjoyed it so much and the game went so quickly! Dame Allan's were great and we got to know some of them afterwards.

Connie G. Mattia L.

The yellows also played Dame Allan's. We scored two goals through Amirah A. and I and conceded just once. It was my first hockey fixture for the school and I loved it.

Sarah A.

Top: *The Year 5 girls following their matches against Dame Allan's.*

Below: *Year 3 enjoyed their first swimming lesson of the term!*

YPSSC Cookie Decorating Morning

Children will be decorating cookies from our school kitchen on **Friday 27th September**. We would ask children to bring in £1 for the cookies, which they can take home to eat at the end of the day or munch on during breaktime.

All monies raised will be donated to **The Holistic Centre**.

Mr Stone

Term Dates

Autumn Term, 2019

Preparation Day—Tuesday, 27th August 2019

Preparation Day —Wednesday, 28th August 2019

All pupils return—Thursday, 29th August 2019

½ term begins—Friday, 18th October 2019 (after school)

Pupils return—Monday, 4th November 2019

Finish—Friday, 13th December 2019 (after school)

Spring Term, 2020

Pupils return—Monday, 6th January 2020

½ term begins—Thursday, 13th February 2020 (after school)

INSET 1—Friday, 14th February 2020

Pupils return—Monday, 24th February 2020

Finish—Wednesday, 1st April 2020 (after school)

Summer Term, 2020

Pupils return—Tuesday, 21st April 2020

Bank Holiday—Friday, 8th May 2020*

½ term begins—Thursday, 21st May 2020 (after school)

INSET 2—Friday, 22nd May 2020

Pupils return—Monday, 1st June 2020

Finish—Friday, 3rd July 2020 (after Prize Giving)

**Next year's early May Bank Holiday (traditionally held on a Monday) will be moved back by 4 days to Friday, 8th May 2020 for the whole of the UK to coincide with the 75th Anniversary of VE Day.*

Head's Challenge solution from last week: 30 divided by 8 = 3 ¾

Head's Awards:

Year 3: Navina M.

Year 4: Claudia P., Emma S.

Year 6: Kate H.

Peer Mentor of the Week

Name: Sienna

Class: 6B

Favourite subject: Games

Best thing about school: Playing with my friends

Favourite cheese: I don't like cheese!

Most exciting thing to happen in my life so far: I saw the England netball team at the World Cup in Liverpool.

When I am older: I want to be a netballer.

Writing or typing? Typing

Ketchup or mayo? Ketchup

Sun or snow? Snow

One wish: To play netball for England.

Sienna has incredibly been nominated by three people this week! Not only was she a great help on the new adventure trail, she mediated between two younger girls who had stopped playing with each other and helped them become friends again and play together!
