

Head's Message

As I write the final newsletter for the term, I can still hear the rousing rendition of Hark! the Herald Angels Sing from last night's Carol Service in my head. I can also picture the children's faces as they sang with absolute conviction and clarity. It struck me during the service that it was not long ago that I was watching even the oldest of our Prep pupils on stage in their EYFS nativity! Time certainly flies when you are having fun! One of the many privileges of working in a school such as ours is that you see every pupil grow in stature and confidence as they journey through School. This was certainly demonstrated last night in what was a wonderful service. I am grateful that many of you were able to join us.

I would like to thank all parents who came to support our annual Prep Ball the weekend before last. In particular the committee members of the YPSSC who made the event possible with extensive planning in the preceding months. Thank you also to the many helpers who pulled together in the final few days to lay the ground for what was a tremendous evening of entertainment, dancing and dining. An update on funds raised will follow in the New Year.

Looking back on the term there have been myriad achievements, progress and highlights for all of our pupils. Gains have been realised in so many areas: the classroom, the sports pitches, the stage, in music performances and also in terms of relationships, self-responsibility, confidence and the appreciation of others. They are a great credit to the School. I think it is vital to note that they have been driven, inspired and supported to make such gains by a dedicated band of teachers and ancillary staff who I would like to thank for their tireless work this term. I would also like to thank my wife Sarah and our children for always being there for me; without their care and love I would be lost.

I wish all families and members of our community a safe and enjoyable holiday. Best wishes for the festive period and see you in 2020! I look forward to the Spring Term and all it brings.

Bill Sawyer

Head's Challenge: If you fold a piece of paper in half, fold it in half again four more times, then cut off each of the four corners of the resulting rectangle, how many holes will there be when you unfold the paper again?

Photo of the Week: Our thanks to our school captains and house captains who, along with Miss Darbar and Mrs Shepherd, decorated our Christmas tree in such festive style!

Year 3 Christmas Play

The Year 3s whisked everyone away to Austria this week, to tell the story of how the much loved Christmas carol, Silent Night came to be. The narrators set the scene beautifully in a little town called Oberndorf, where they introduced the audience to Father Joseph the parish priest. Tiger played this part with great determination, really capturing Father Joseph's frustrations when trying to write a special poem for midnight mass. His predicament however, wasn't the only problem to arise this Christmas, as a rabble of cheeky church mice were up to mischief. Taking their favourite game of hide and squeak a little too far, one naughty mouse decided to nibble a gigantic hole in one of the organ bellows!

Franz Gruber the church organist, played incredibly by Noah, was horrified to discover this problem....what a disaster! How could there ever be a Christmas service without music?! To make matters worse, a snowstorm was fast approaching... the audience watched in awe as a magical flurry of snowflakes whirled elegantly around the stage.

What a relief it was to hear that Father Joseph and Franz Gruber had a plan! With the help of the villagers and the mischievous church mice, they managed to create a beautiful service just in time for Christmas Eve.

The production ended with a fantastic medley of carols guiding Mary and Joseph, the angels, the shepherds and the Three Wise Men to the stable, all concluding in a stunning solo performance by Noah.

With whispers of West End comparisons from the audience, it is fair to say this was an incredible performance by Year3! Thank you for taking us to Austria, and for telling us the magical tale of Silent Night. A superstar performance, well done!

Miss Darbar and Mrs Arrol

My favourite part was when the snowflakes did their elegant dance.

Bea M.

I loved playing my part. I used lots of expression. It was hard at first but then I got used to it.

Tiger C.

The kings looked so professional!

Willow A.

I liked dancing for the Guten Morgen song. We got to do loads of actions.

Arvind K.

I enjoyed playing my part because it was like I was actually in Austria!

Akansha M.

I loved how the mice got to sneak on like real mice

Amelia O.

I enjoyed knowing that someone would spot the mouse hidden on stage but not know it was a mascot!

Miguel R.

I loved the songs because songs let your inner body out.

Griff W.

The highlight of the Year 3 nativity for me was the Carol Medley at the end because everyone gets on the stage together and sings traditional Christmas carols.

Ellie Mae G.

I liked the villager dance because it was very jolly and fun. The costumes were amazing. They wore traditional, rustic Austrian clothes.

Imogen P.

My favourite part of our nativity was when we learnt and sang Silent Night in German. "Stille nacht, heilige nacht."

Max A.

My highlight was when the mice came out, dancing in time to the music. They were so funny and scuttled everywhere.

Ciara W.

I enjoyed the part where I flew on stage with the other Angels to "Ding Dong Merrily on High"

Olivia J.

The "Guten Morgen" song was my highlight because we sang in three parts. The villagers did an amazing dance which was in time to the music.

Navina M.

General Election

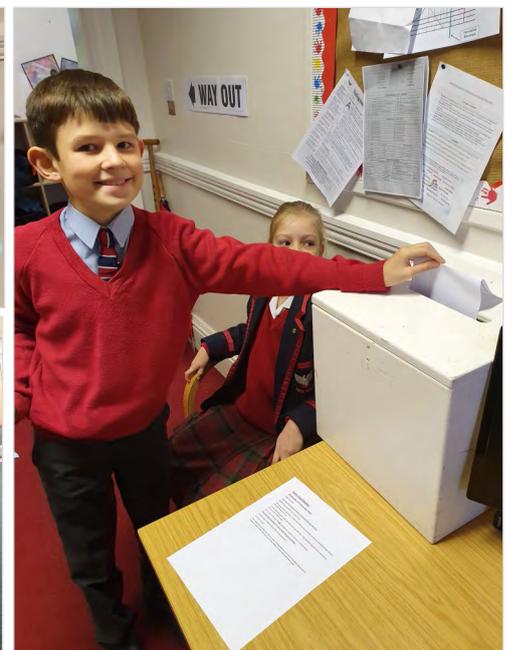

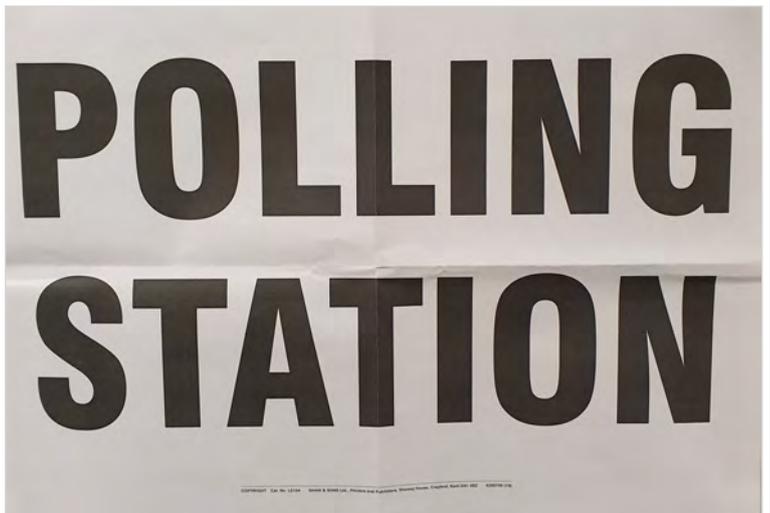

General Election fever hit the Prep School on Wednesday as the school went to the polls. Following a hectic three weeks of canvassing, the four candidates from 5N and their parties waited with baited breath as every child and member of staff were given the opportunity to exercise their democratic right to vote.

As if mirroring the adult world, the build up to polling day was tense. However, the four parties conducted themselves with both passion and thoughtfulness, something sometimes lacking in real life politics! The four candidates could be seen speaking to the electorate during break times in a bid to rustle up some votes. With opinion polls suggesting a very tight race, every little moment and comment was scrutinised as voters sought to pick out the party they felt were in tune with their beliefs.

Election day saw teams of Poll Clerks from 5L and 5P organise the polling booth with incredible efficiency. Those voting knew exactly what to do thanks to their efforts and it was pleasing to see so many children (and teachers!) taking the opportunity to make their voices be heard. Our Clerks also oversaw our voting in the Senior School General Election—results for this can be found in the Senior School newsletter. When the polling station closed at 4pm, it was the turn of the counting team and the Returning Officer—Ava Holmes and —to oversee the announcement of the result. In the end, it took an incredible FOUR recounts to confirm the result!

Well done to everyone who took part, from the candidates and their support teams, the clerks and counters from 5L and 5P and, of course, all of those who took the chance to vote.

Mr Stone

THE FINAL RESULT:

- Alfie Arnold (Rainbow Party) 68 votes**
- Noah Coulman (Vision Party) 64
- Bella Yang (Purple Bird Party) 52
- Kabir Gandhi (Prospect Party) 42
- Total number of votes: 232. Turnout: 91%

Real-life parties: Rainbow = Green; Vision = Labour; Purple Bird = Conservative; Prospect = Liberal Democrat.

Year 4 Trip to the Oriental Museum

We went to the Oriental Museum to learn about ancient Egypt. Once we were split into groups we were able to complete a gallery trail. We also got to handle lots of different Egyptian artefacts.

Yuhe T.

The mummy had been to lots of places before coming to the Oriental Museum. We got to smell it and it was horrible!

Charlotte F.

There were some amazing artefacts and the gallery trail was really good fun.

Nethuki M.

The things from Ancient Egypt were really delicate because they were thousands of years old. My favourite bit of the day was the fabulous mummy.

George F.

I got to do a play and the weighing of the heart ceremony. It was a fun trip.

Jacob B.

It was breathtaking seeing the mummy!

Charlie E.

Netball Activity

During games lessons after half term the girls will now play netball. The clubs for netball will take place for Y3 and Y4 on a Thursday 4pm-5pm and for Y5 and Y6 on a Wednesday from 4pm-5pm. We are looking forward to netball season, learning lots more new skills, taking part in fixtures and workshops and most importantly having fun.

Miss Bradley

What have we learnt?

I have learnt all of the places you can go on the netball court and I have also learnt that I must use 'bunny ears' when shooting.

Imogen P.

In netball I have learnt to pass the ball correctly and how to shoot with a ball. We played a game called Killer.

Ellie-Mae G.

I have learnt the names of the different positions and when you have finished your shot to do 'bunny ears', as well as lots of other different skills.

Noah A.

I have learnt passing, defending, the correct technique to shoot. I won most improved shooter one week. I also remembered to say 'ice-cream' to help me remember the footwork rule.

Lama E.

Why it is fun?

Netball is a great sport to play, it's a team game you can play with your friends. The more you play the better you will get, we really enjoyed learning how to shoot in the hoops. Netball helps to improve all of your sporting skills.

Ella F., Charlotte F. and Scarlett H.

How we have improved?

I have improved by doing different types of passes; chest pass, bounce pass and shoulder pass.

Violet M.

I've improved my shooting into the netball hoops by learning the correct technique.

Beatriz G.

I have improved my passing, when I started I wasn't very good but I practised lots and now I am much better.

Anjali R.

I have improved my shooting, I really enjoyed playing Killer to practise, I've improved so much!

Beatrix A.

Why should people at Yarm play netball?

You should play netball at Yarm because it is a good sport to keep you fit. It is fun, you get to shoot in the hoops and run around a lot. Netball keeps you fit and healthy and you will learn lots of new skills.

Lamar E., Sawsan K., Imogen P., Lucy W.

Lunchtime and After School Clubs – Spring Term 2020

	Activity	Times	Venue	Year	Policy	Staff
Monday	Guitar Orchestra	10.20-10.50am	Music Room	All	Invited by Teacher	SBH

* After School Supervision – charges apply from 4:30pm

PLEASE NOTE: We will also be adding Y3/4 Boys' Hockey on a Thursday after school for any children who are interested. Please just turn up and play!

Bridge House Collection

Thank you!

Sending a HUGE thank you to everyone who has taken the time to create a winter care pack. Bridge House were delighted to receive over 100 care packs; incredible work! Your generosity will go a long way this Christmas and really help to make a difference.

Thank you everyone!

PE and Games News

Boys' Games Review

As we approach the end of the year it is traditional to reflect upon the key events of the last year, however in this case we shall make it the last term. It is no exaggeration to say that it has been a season of two halves and while the fine weather at the beginning of the term was lovely, I would have preferred more typical autumn weather if it meant that the second half of the term wasn't so wet and damp!

All weather related comments aside, all teams performed well from the beginning. The firm ground supported the type

of rugby we try and promote. We play at speed, running into space and keeping the ball away from contact. The U8s enjoyed themselves entertaining Clifton early in the season and then facing off against The Chorister School and Cundall Manor before half term.

The U9s found themselves travelling far and wide playing teams from as close as Teesside High and as far away as Mowden Hall. It has been an excellent experience for the U9's to meet new friends and peers across the entire region.

The U10s started their campaign against Teesside High on a Friday and then travelled Barnard Castle for The Clegg Cup. While a little rusty in places, the U10's showed plenty of promise of what was to come in the weeks ahead. As they progressed through the term the boys demonstrated excellent work at the contact area but struggled to get the ball out wide into space. Over the rest of the term the boys have worked on passing, using every free opportunity to practise and hone their skills with the ball. The result has been super, with the boys playing free flowing rugby that is great to watch. Well done to all involved.

Working with the U11 boys has been a pleasure this term. All have been keen to learn and develop from each other. They have faced stern opposition throughout the season and even though they have not been successful on every occasion, I have been most impressed by their teamwork, communication and support of each other on the games field.

It has been a pleasure to be able to watch all the boys play and I have enjoyed seeing the smiles at the end of each fixture. Well done to all the boys for an exceptional effort this season.

Mr Underwood

Girls' Games Termly Review

It has been a busy term with lots going on. It has been lovely to continue our ethos of 'sport for all' ensuring girls get as many opportunities to play fixtures.

The Year 3s have begun their hockey journey and took part in afternoon workshops and enjoyed meeting and travelling to other schools including Cundall and Ashville in addition to hosting RGS Newcastle, Queen Marys and Durham High.

The Year 4s, so our U9s, are playing a recognised game of hockey and this can vary from 5's to 7's and enjoyed fixtures v Barnard Castle, RGS Newcastle, Bow and Cundall. It was fantastic to see them grow in confidence and indeed tactical prowess.

Our U10 and U11 teams enjoy fixtures every single Friday and we put out 41 teams this term against a lot of other schools in the NE. This is an increase on last year. It was super that other schools were able to buy into our ethos and on the majority of Fridays we had every single girl involved.

For us it is not about results but about giving the girls as many sporting opportunities to play and enjoy the afternoon. We had matches v Barnard Castle, GSAL, St Olaves, Dame Allan's, Queen Mary's, Red House and Pocklington. On occasion we even played multiple schools on the same day which allowed us to get more girls playing..

Next term our emphasis in games turns to netball and we will continue to work alongside Grangetown netball club to give our Year 3 and 4 girls a club experience.

Finally, I want to thank the staff for their passion for sport and hard work each and every week, and the girls and parents for their enthusiasm and company. Enjoy your holiday and family time together and let's do it all again next year!

Mrs Redhead-Sweeney

School Values poetry

Compassion Is The Key

Compassion is the key,
It will help you and me.
Always cheer everyone until you can,
Even if it is Dan or Sam.

Encouragement is the thing,
Support them and be on their wing.
No matter how they are,
You need to treat them like a star.

Compassion is a life skill,
It doesn't matter if it is 5-0.
You should always show compassion,
It is the key for you.

Always be compassionate,
Don't let anyone down,
Keep a smile on their face,
The opposite of a frown.

Compassion is the key,
Soon, you will see.
This poem was based on being compassionate,
A vital school value. You should always be compassionate no
matter where you are and who you're supporting.

Jasman S., 6H

Snacks at break

There is a morning break at which children can have milk if you wish. Please inform your child's form teacher if you would like your child to have this. Children are allowed to bring a couple of plain biscuits or a piece of fruit to eat at break time.

No chocolate, chocolate covered snacks, nuts, fruit flavoured items, processed food or crisps, please.

It is helpful to staff if parents assist us by ensuring that only snacks as detailed above are sent. Water in 'sports cap' bottles, clearly named, should be sent to school. Children are allowed access to water bottles throughout the school day and will be required to bring them on school trips / fixtures. Bottles should be taken home regularly for cleaning and refilling.

Internet Safety

Yarm School has recently become part of Parent Zone's Digital Schools Membership programme, recognising our commitment to keeping our pupils safer online and making sure we work with you to achieve this.

Our Digital Schools membership gives you FREE access to Parent Zone's Parent Lounge with:

- Online training;
- Expert advice and information on all

things digital;

- Access to a free help service for all of your tech questions.

To get started, go to: <https://parentzone.org.uk/parents/discover-parent-lounge>

- Click on ENTER PARENT LOUNGE
- Click on the pink ADD TO CART button
- On the next page click CHECKOUT. You'll be asked to enter your email address.

On the next page you will need to enter the coupon code YarmSchool to ensure you have free access. Please click ADD COUPON once the code has been entered. The code gives you a 100% discount.

I cannot recommend the Parent Zone service highly enough. In this day and age, when we are teaching the children how to be good online citizens and how to stay safe online, it is imperative that parents are in the loop too. Parent Zone offers this support.

RAISING A RESILIENT CHILD: A GUIDE FOR PARENTS

by Dr Kathy Weston

DATE AND TIME

9th January (eve)
7pm - 9pm

Friarage Theatre,
Yarm School, The Friarage,
Yarm TS15 9EJ

Dr Weston is one of the national experts on parental engagement in children's lives and learning. She is the co-author of "Engaging Parents" by Bloomsbury and produces the #GetaGrip parenting podcast. To read more about her work go to: www.drkathyweston.com or follow her on Facebook: @DrKathyWeston

Ever wondered the best way of ensuring your child grows up to be resilient? Are you worried about them being able to navigate the ups and downs of school and life?

In this talk, Dr Kathy Weston shares practical, evidence-based ideas and approaches that parents can 'try and apply' at home, within family life.

Her talk will cover:

- > What we mean by 'resilience';
- > Current threats to children's resilience;
- > How parents can boost children's resilience;
- > Spotting signs your child is not resilient and what you can do about it;
- > How technology can help and hinder our children's resilience.

To book a place please follow the following link:

Coming up

— DECEMBER —

Mon 16 Christmas Holiday School (until Friday 20th December)

— JANUARY —

Mon 6 Spring term begins; pupils return

School finishes at 3.15pm (Pre-Prep) and 3.30pm (Prep)

Brunel house duty

NO CLUBS AFTER SCHOOL THIS WEEK

Tue 7 School finishes at 3.15pm (Pre-Prep) and 3.30pm (Prep)

Wed 8 House General Knowledge Quiz

Thu 9 Peer Mentor training (4-5pm)

Under 8 Netball v Durham High (away; 3pm start, 4.45pm return)

YPSSC (Mrs Pawluk's room; 4-5pm)

New Nursery Parents' Information Evening (Nursery; 5pm)

Fri 10 U11 Boys' Hockey v RGS Newcastle (home; 2.15pm start)

U11 Netball v Bow (away; 2pm start, 4.30pm return)

Sat 11 Open Morning (9.30am-12noon)

Mon 13 Year 3 swimming recommences

Stephenson House Duty

Clubs and activities to begin

Maths Information Afternoon (Prep Hall; 4pm)

Tue 14 Primary Schools Singing Day (PAA; 9.30am-2.30pm)

Wed 15 School Council (Lab; 1pm)

Fri 17 U10 Hockey v RGS Newcastle (away; 2.15pm start, 5pm return)

U10 Netball v Queen Mary's (away; 2.15pm start, 4.30pm return)

Please check the calendar on the school website for the full Spring Term calendar in the coming days.

Celebration Assembly

	Values	Endeavour
3A	All of Year 3	All of Year 3
3D	All of Year 3	All of Year 3
4C	Namitha N.	Lucia C.
4J	Charlotte F.	Charlie E.
4P	Claudia P.	Daniel H.
5L	Ava H.	Laurie E.
5N	Atsushi Y.	Amirah A.
5P	Saatvik G.	Amelie S.
6B	Paddy K.	Max H-M.
6G	Jack M.	Jude C.
6H	Kate H.	Amelia L.

Head Teacher Awards:

Year 4: Daniel H. **Year 5:** Minu P-M., Ruby K., Sanju V.
Year 6: Jude C., Noah V. (3), Sabeeh Q. (2), Patrick W., Ollie M., Harvey D., Niamh B. (3), Darcey A. (2), Gracie R-H., Charlie Ba., Henry B., Jasman S.

Peer Mentor of the Week

Name: Manya

Class: 6H

Favourite subject: Geography

Best thing about school: Painting in all of the art clubs

Favourite cheese: Cheese strings!

Most exciting thing to happen in my life so far: Going to Morocco and seeing a really good Indian singer live

When I am older... I want to be a journalist or an engineer

Writing or typing? Typing

Ketchup or mayo? Mayo

Sun or snow? Sun

One wish: I would like to teleport so I can go anywhere without walking!

Manya was nominated by a fellow peer mentor for being so kind and thoughtful when helping a Year 2 child, who had fallen over on the playground and was upset. Thank you Manya!

Head's Challenge solution from last week: 4100
