

# Trips and Excursions Booklet

## 2021 – 2022

This booklet summarises the major Senior School residential, adventurous or overseas trips and excursions that have been planned for the academic year. We are looking forward to the opportunity to be able to return to the range of trips that we would normally be able to offer during the course of a typical academic year. Of course, the caveat still remains that this might be subject to any restrictions that may be imposed on schools again in the future. The intention of this summary booklet is to help parents and pupils to prioritise and to plan ahead if they are interested in any of the trips advertised herein. In addition, to these and our extensive fixtures programme, we also run a range of smaller day trips and visits throughout each term. These can include, for example, subject orientated field trips, cultural/theatre visits, CCF activities and a range of other outdoor education trips and activities.

More information is available from the members of staff in charge of each trip, who can be contacted via school email. Staff will advertise the details for each trip at the appropriate time of year to gauge the levels of interest and to see if their trips will be viable. Usually, pupils will be asked to collect letters and details from the School Office.

In addition to the trips and excursions listed below, the Outdoor Education Department also runs a range of regular day trips every month throughout the school year. The cost for each of these is usually around £15 and therefore they are any easy and cheap way for pupils to try something new or to be involved in an outdoor activity they enjoy. The dates and details for all of the trips in the programme are published in the separate Outdoor Education Booklet.

<b>Trip / Excursion Details</b>	<b>Dates</b>	<b>Staff in Charge</b>	<b>Guide</b>
