EDUCATING FOR LIFE

The Newsletter of Yarm Pre-Prep

Mrs Speight's message ...

Number 367

14th October 2022

Happy half term, I'm sure you will all agree that the week has been a 'spooktacular' success. The Halloween party was magnificent and the children all enjoyed celebrating Diwali today. The Nursery children have been singing pumpkin rhymes and visited Yarm Library. The Reception children have participated in making Halloween crafts, the spiders were sensational! Year 1 children are super scientists and have conducted a fair test using constant variables as well as making wonderful predictions about their experiment. Being creative has been a theme for the children as our eldest pupils in Year 2 have enjoyed making sea creatures. It would be remiss of me not to mention the Pre-Prep team and thank them for all their hard work. They work tirelessly to ensure everyday is a fun day and take pride in all the fantastic learning opportunities. Do have a wonderful, relaxing break with family and friends. It's so nice to reconnect with all the special people in our lives during the holidays. I look forward to seeing you on Halloween, Monday 31st October!

Warmest wishes,

Joanne Speight

Happy Halloween

Reception have had a 'spooktacular' week as they prepared to celebrate Halloween. As well as creating lots of crafts and taking part in some 'frightful' activities, the children enjoyed dressing up and taking to the catwalk for a fashion show on Thursday.

Science Experiment

The Year 1 children have been scientists! Full of curiosity, they designed and carried out a collaborative fair test to answer the question "Which soap makes the tallest bubble mountain?" They worked hard to make it a fair test and made predictions. The room was definitely full of awe and wonder!

Sea Creatures

During our topic lessons we have been exploring the impact of plastic pollution on our oceans. We have designed and created models of sea creatures using recycled materials.

Library Visit

We have visited the library with all of our Nursery children. We enjoyed reading books and sharing stories.

'Fangtastic' Halloween Party

★HAPPY★ BIRTHDAY!
