

# Trips and Excursions Booklet

## 2024 – 2025

This booklet summarises the major Senior School residential, adventurous or overseas trips and excursions that have been planned for the academic year. The intention of this summary booklet is to help parents and pupils to prioritise and plan ahead if they are interested in any of the trips advertised herein. The dates and costs given are approximations at this stage; they are designed as a planning guide for parents but may be subject to change.

In addition to these and our extensive fixtures programme, we also run a range of smaller day trips and visits throughout each term. These can include, for example, subject orientated field trips, cultural/theatre visits, CCF activities and a range of Outdoor Education trips and activities.

More information is available from the members of staff in charge of each trip, who can be contacted via school email. Staff will advertise the details for each trip at the appropriate time of year to gauge the levels of interest, and to see if their trip will be viable, usually via email.

**Junior Ski Trip, Austria. Feb 2024**

In addition to the trips and excursions listed below, the Outdoor Education Department also runs a range of regular day trips every month throughout the school year. The cost for each of these is usually around £25 and therefore an easy and cheap way for pupils to try something new or to be involved in an outdoor activity they enjoy. The dates and details for all of the trips in the programme are published in the separate Outdoor Education Booklet.
